☆

- I must make reservations with the Senior Association Starter for each day I wish to play and tee times will be given on a "first come first served" basis, so far as it is practical, and only to the limit of the allotted times.
- Should I cause a reservation to be made and find I CANNOT play, I MUST CANCEL as soon as possible by contacting the Senior Association Starter.
- The Senior Association playing season begins in early March and runs through the end of October.
- The Senior Association plays both at LaFortune and South Lakes Championship golf courses on alternating weeks, and the play days are Mondays, Wednesdays and Fridays unless otherwise indicated on the monthly playing schedules provided.
- The Senior Association schedules various tournaments, etc. throughout the season, and prizes are provided for the winners from the dues collected. The tournaments, etc. are scheduled and shown on the monthly playing schedules.
- Each member must have at least five rounds of golf played with the Association to establish a handicap prior to being eligible for tournament play.
- This is not a beginners league: I am familiar with the rules of golf and the etiquette of the game. I must not be a contributor to slow play. A handicap of 36 will be highest handicap permitted in tournament play.
