The Career Women's Golf Association was formed in **1991** to promote the game of golf among working persons. It's a great way to meet other golfers, learn about rules and etiquette and play in some low-cost and fun tournaments. We play Tuesdays at South Lakes Golf Course, tee off 3-5:30pm.

Our members' handicaps range from 5 to 55, so you will fit right in wherever you are in your game!

The newsletters will keep you informed of all upcoming events, useful pieces of golf information and a membership roster that gives you the opportunity to call other people who love to play! The goal is to have fun - and that is what we do!
